

Dear Customers,

We are pleased to announce that in our regular offer of external roller shutters there are two additional colors:

Black (lacquer) and Malt Oak.

For the black color, the accessories come as standard with the exclusion of the inspection flap and the plaster carrier, which are additionally payable in the amount of 1,2 € per linear meter.

In the case of malt oak color, the level of subsidies is as follows:

- For standard boxes – surcharges analogous to colors: dark oak, winchester.
- For flush-mounted boxes – surcharges analogous to colors: walnut, wenge, winchester, golden oak.

For more information please contact our sales department.

In order to meet your expectations - we will inform you soon about the further expansion of the color offer.

Yours sincerely,
Vertex S.A
