Due to the rising prices of production elements, labor costs and energy, we are compelled to increase the prices of our products as of March 3, 2025.

Price increases from our suppliers have appeared from the 4th quarter of 2024 but given the current market situation, we have tried to make it start for you as late as possible.

The increase covers the following product groups:

- Roller shutters (all types) – 5%
- Aluminium venetian blinds 16 i 50 mm – 3%
- Aluminium venetian blinds 25 mm – 10%
