Tkanina Esvedro

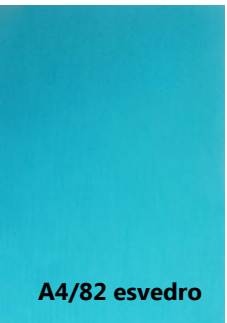

Tkanina w kolekcji materiałowej Vertex S.A. dedykowana do Paneli japońskich, inaczej zwanych Panel Track.
Delikatne sploty włókien i struktura tkaniny zapewniają subtelną osłonę okna, a zarazem dekorację dużych powierzchni okiennych. Tkanina może być zastosowana także do klasycznych rolet okiennych.

Na życzenie Klienta, roleta może być wykonana z falbaną.

Wzór falban - roleta Modern

Rolety z Twoim nadrukiem

Na życzenie Klienta, roleta może być wykonana z dowolnym nadrukiem - Twoje ulubione zdjęcie, logo firmy lub grafiki. Nadruki wykonujemy na tkaninach białych. Druki na roletach w Vertex S.A. wykonywane są innowacyjną metodą UV. Daje to gwarancje wieloletniej stabilności koloru.

Doskonałym i zyskującym na coraz większej popularności jest stosowanie zindywidualizowanych rolet z nadrukami – gdyż poza oczywistą funkcją reklamową są one doskonałą osłoną przed słońcem oraz można je dowolnie regulować.

Zapytania prosimy kierować na adres e-mail: marketing@vertex.pl
